CANTON – September 29, 2006 – All Greater Canton Business Professionals are invited to attend the Coleman Behavioral Health Open House that kicks off their new downtown Canton location at 400 West Tuscarawas Street. The Coleman organization is located on the 2nd floor of the Charter One Bank building. This event will be held on Tuesday, October 17th from 3 to 7 PM.

The theme is football, which is appropriate during football season in a football town. Coleman will have their “special teams” available to meet with all guests. These teams include: Behavioral Health whose focus is on individuals who need mental health assistance; Wellness Solutions focal point is on bringing healthy solutions to the workplace, including EAP, Drug-Free Workforce, and Smoking Cessation; Employment Services center of attention is bringing employees and employers together via their job placement services; and Travel Services which arranges worldwide trips for the business traveler.

Attendees are encouraged to PASS and RUN with new business contacts, TAILGATE with terrific food and music, and RECEIVE a free gift at the end of their visit. SCOUTS will be on hand, in front of the building, to direct all guests to the closest parking locations.
